Although this has not been a normal semester for Catering we were busy preparing and delivering three meals a day to students in medical isolation. We’ve also catered some socially distanced student events on campus and launched an online store for curbside pick up.

Our online store was launched on November 6th and is open to the UConn community and the public.

Our online menu includes complete family meals for six (chicken marsala, chicken parmesan, hickory-smoked beef brisket) along with some additional favorites such as a gourmet cheese box, Tuscan antipasto box, smoked gouda macaroni and cheese, and meatballs. We are also offering a seasonal menu of soups from 11/20-25.

Please provide 72 hours notice for orders. Curbside pick up is at the Catering Department located in the Lester B. Shippee building, 1288 Storrs Rd., Storrs.

Take a look at our menu via our website dining.uconn.edu/university-catering. We'd love to hear your feedback! Let us know if there are items you'd like to see added to the online menu. We can be reached at catering@uconn.edu or 860-486-5053.
